**RE: AMGEN TOUR**

To Who It May Concern:

I wanted to complement your company on the excellent representation of Jelly Belly during the Amgen Bike Tour on February 21. Our family attended this event, and your cyclists and support crew stood out by far. They were a personable group of professional cyclists who took time out to sign autographs before the event. We were especially impressed by Kyle Reijen and his positive exuberance for cycling as well as taking time out for fans.

We purchased Jelly Belly cycling jerseys and wear them with pride. Your stand at the Rose Bowl gave out free water bottles and sport beans. They will definitely be added to our future purchases. You've taken a good product and made it even better with your outstanding team.

Thank you once again.
